

PROTOCOL TO ENTER AND LEAVE THE HOUSE TO PREVENT COVID-19 TRANSMISSION

LEAVING HOUSE

Wear jacket or long sleeves clothes
Do not wear accessories such as bracelet, ring, earrings.
If you want to wear facemask, put it on at the moment you step out of the door
Avoid using public transportation
Use tissue to touch any surfaces outside of your house
Place the used tissue in the trash bin
Use your elbow to sneeze or cough
Do non-cash payment transactions if possible
Wash your hand or use hand sanitizer after touching anything outside of your house
Avoid touching your face if you have not cleaned your hands
Keep minimum 1 metre distance from anyone outside

ENTERING HOUSE

Avoid touching anything when you arrive at home
Take off your shoes before entering the house
Place your bags, wallet, keys etc near to your front door
Take shower immediately
Take off your clothes immediately and place in in your laundry basket
If you can't take shower, ensure that all of your body parts that are uncovered when going outside washed with soap and water
Clean up your mobile phone or eyeglasses with alcohol or disinfectant
Clean up all of belongings you brought from outside with disinfectant
